

Neurology Team

Giunio Bruto Cherubini DVM, DECVN, MRCVS

Diplomate, European College of Veterinary Neurology

European & RCVS Recognised Specialist in Veterinary Neurology

Special Lecturer in Veterinary Neurology – University of Nottingham

Giunio completed his residency in neurology/neurosurgery at the RVC in 2004 and received the prestigious John Presthus award from the ECVN. He remained at the RVC as a lecturer until 2007, when he joined Dick White Referrals to set up a dedicated small animal Neurology Service. Giunio is involved in developing the latest neurological techniques, transferring breakthrough treatments from human medicine to veterinary neurology. He has published numerous scientific papers and presented at many international congresses. He is a member of the Editorial Board of JSAP, JFMS and UKVet. He is also a member of the ECVN and of the British and European Societies of Neuro-oncology.

Helen Fentem Jones

Cat A Member, ACPAT • Member, CSP

MSc Physiotherapy • MSc Veterinary Physiotherapy

Physiotherapy, applied by a skilled therapist, has been shown to aid recovery and help restore normal locomotory function post surgery. Therefore, in an innovative approach to providing a comprehensive Neurology Service, our team includes a dedicated veterinary physiotherapist. Helen completed a Bachelor's Degree in Equine Science at the University of Bristol in 2002; and a Masters in Physiotherapy at Kings College London in 2004. After working in the human medical field for 2 years, she completed her Masters in Veterinary Physiotherapy at the RVC in 2009. Following this, she joined Dick White Referrals, with the remit to develop a dedicated Physiotherapy Service, the aim of which is to provide the best possible physiotherapy to our patients, and to liaise with those responsible for their continuing care when they leave our clinic.

Viktor Palus

 DVM, MRCVS

ECVN Resident in Neurology/Neurosurgery

Viktor graduated as a veterinary surgeon in 2005 from Kosice University in Slovakia. While working for a 2 year period within a Small Animal Hospital in the Czech Republic, he developed a strong interest in neurology. He then joined Dick White Referrals and, having completed a one year rotation Internship here, he is currently undertaking an ECVN Residency in Neurology/Neurosurgery.
