

SOUTHERN GOLDEN RETRIEVER SOCIETY

MEMBERSHIP APPLICATION

THE SOCIETY

The Southern Golden Retriever Society was founded in 1977 and covers the area of Kent, Surrey, West Sussex, East Sussex, Hampshire and London south of the River Thames. It is one of 13 clubs dedicated to the safeguard and perpetuation of the Breed. The Society Strives always to achieve the ideal of a true dual purpose dog.

The Society exists for the benefit of its Members and the Committee provides a full range of regular functions and other activities to promote the training, showing, breeding and other activities pertaining to Golden Retrievers as well as encouraging good health management for the breed.

The natural instinct of our lovely breed is to retrieve game in the shooting field and this instinct is encouraged by participation in the Society's working tests, field trials and working training days.

The Society also encourages members to participate in other disciplines by providing various training opportunities including obedience and agility, shows and educational events.

Membership is open to Golden Retriever enthusiasts wherever they live and is renewable annually in January. Advice on problems or anything related to Golden Retrievers is freely available to all members at all times.

The Society runs a Puppy List for the benefit of members who breed puppies and agree to abide by the Kennel Club's Code of Conduct and the Society's Code of Breeding Ethics which states that members are encouraged to only breed from parents that have been examined under all relevant and current KC/BVA health schemes (with results officially recorded) and which may also include relevant DNA tests. The Society also holds a Breeders list, Stud Dog list of dogs available at stud. For further information on these, contact the Breeder/Puppy/ Stud Dog Co-ordinator or see our website.

Additionally, as a member you will receive a newsletter and periodically other information detailing Society business and events. Schedules for Agility, Field Trials, Obedience and Working Tests will be on the relevant pages of our website when they are available. Breed Show schedules will be on www.fossedata.co.uk when available. Other information and photos will either be within the Members area or on the relevant page.
