

Below is a list of SGRS Member Breeders who breed puppies occasionally. This listing is not a recommendation for any particular breeder and potential puppy owners are advised to ask questions, especially about temperament and the health statuses. Details of the current health schemes in the Golden Retriever can be found on the Health pages of the website.

Breeders Name	Kennel Name	KC ABS	e-mail	Tele	Website	Health Tests Routinely Undertaken
Ann Stephenson	Timtaurn	✓	asteph33@aol.com	01276 471064		Hips, elbows, eye exams, DNA PRA 1&2 test
